

St. Paul's Catholic Primary School
Maths Long Term Plan Key Stages 1 & 2
2021-22

Please find the Long Term Plans for KS1 & KS2 below. These topics have been planned in accordance with our Maths Recovery Curriculum. This is underpinned by the Ready To Progress Materials published by the DfE. Our teaching cycle may cover additional areas of White Rose Maths as and when pupils are secure and confident with each strand.

Year Group (s)	Autumn	Spring	Summer
Y1/2	<i>Pre-Counting Number and Place Value Number Facts Addition</i>	<i>Subtraction Geometry Number Facts Multiplication</i>	<i>Division Geometry Statistics Consolidation</i>
